We express our profound sense of gratitude to our project guide Prof. Virat Kohli for their continuous discouragements & misguidance during the project period.

We also express our sincere disrespect to the HOD (CSE) Prof. Rupam Thakre for encouragement & providing all the facilities in the department.

We would like to extend our gratitude to the Director Dr. HC Verma for their valuable encouragement & approval of the project work.

We are Dispectful to all staff members of the Common sense department and my friends for no help co-operation and suggestion for my project work. Lastly but not the least, we must express th, without their moral support it was impossible for us to complete this minor/major project work.
